NARMER AMERICAN COLLEGE HONOR CODE

At Narmer American College, we believe that trust and honor are the foundations that are best prepared as early in life as possible. At NAC, the Honor Code is embodied in two central themes. First, the NAC Honor Code represents the highest ideals of moral development, integrity and achievement. Through the Honor Code, we instill in our pupils a respect for the ideas, work and property of others and personal respect for all members of the NAC community. Secondly, the Honor Code represents Narmer American College's commitment to teaching and promoting honor and trust within the school community.

Younger pupils are taught the essential concepts of the Honor Code. As parents of young pupils, we hope that you will work with us in developing in your child the qualities of honor, integrity, respect and trust, which, we believe, are essential to a successful life.

At NAC, our Primary school programs, American and British, are designed to provide a challenging and developmentally appropriate learning experiences. Led by a skilled and nurturing faculty, Narmer American College teaching strategies are based on the most recent research in education and studies analyzing how your children learn best. These methods capture the natural curiosity of children and include hands-on learning, cooperative group work, open-ended questions, and various problem solving activities that promote critical thinking and curiosity.

Narmer American College Pupil Honor Code Pledge

As a pupil representing Narmer American College, I will maintain a high level of respect, ethics, and integrity. I understand and will uphold the Narmer American College Honor Code in letter and spirit. I will not lie, plagiarize, or be complicit with those who do. I will not vandalize the school property or the property of any member of the NAC community. I am further aware that, as a member of the NAC community, I am expected to report violations of this code as I know of them to occur. I accept responsibility for my own actions and will bear the consequences assigned by the classroom teacher and the school administration as appropriate.

Concerns and Complaints

If at any time, you or your child feels the need to express a concern or complaint to the school, we encourage you to start with your child's teacher by sending an online message through the system. If further dialogue is necessary, contact your child's grade level administrator through a link, which will be sent on the first day of school via the school systems, and express that concern in person so that we get all the details necessary for us to act thoughtfully.

- Narmer American College believes that our pupils must be prepared for an increasingly computerized society.
- Narmer American College has made a substantial investment in computer technology for instructional purposes. Use of the resources is restricted to pupils working under a teacher's supervision and for approved purposes only. ATTENDANCE WARNING LETTER

Date: _____

To the Parent(s)/Guardian(s) of: _____

Our records indicate that your child has accumulated an excessive number of unexcused absences. Regular attendance is absolutely necessary in order for your child to progress in his/her academic studies and graduate from NAC. As per Narmar American College Attendance Policy, pupils are required to attend school regularly and it's the responsibility of the parents and/or guardian to ensure that.

Please be advised that:

Article (5) of the ministerial decree:

1. If a pupil's absence exceeds fifteen consecutive days or thirty intermittent, his/her case is presented to the school Admin.
2. If absences have been for medical reasons, emergency or injury, the school issues an official excuse and the pupil is allowed to resume his/her classes and take his/her final exams. If documents were not presented to validate that, or they were inadequate, the pupil is suspended from school. A pupil who does not meet the "required" 85% of attendance is not allowed to take the final exams.
3. In serious cases of absences, the school will notify the pupils officially.

A pupil's inability to meet the school attendance expectations will put the pupil at risk of either:

a) Sitting for a Re-take exam

OR

b) Repeating the grade level

Absence

It is extremely important that all children must be in attendance in school on all scheduled school days unless they are ill. Please call the Assistant if your child has a communicable disease (measles, chicken pox, etc.) or serious illness, the school will require a note from your child's doctor before he/she may return to school. A child is to be fever free without the use of fever reducing medications for 24 hours before returning to school.

In the event that a child may become ill or injured at NAC, the school doctor will immediately contact the appropriate administrative assistant, who will in turn contact the child's parents or guardian advising them of the illness or injury.

Arriving at School / Tardiness

Children should enter the building between 7:40 am and 8:00 am.

Years 1 to 3 pupils are asked to meet their teachers at a location determined by the teacher, typically in the classroom or on the plaza. **We ask that you do not deliver your child to school before 7:40 am.**

Parents can help improve pupil attendance in the following ways:

- Let your child know that you think school is important.
- Set a regular bedtime schedule. Age should not be a factor.
- Provide your child with plenty of time to get ready for school.
- Plan an alternative way for your child to get to school on time in case the usual method is not available.
- Schedule medical, dental and other appointments before and after school hours whenever possible.
- If your child tells you there is no school that day and you are not sure, please, immediately, contact the school administrative assistant for your child's grade level or check the school website.

Teachers are available to make appropriate suggestions for your individual child. Pupils and staff look forward to the Book Fair, and we enjoy encouraging their love for reading and good books. All books are evaluated for their appropriateness before being put on sale.

Bullying

Narmer American College believes that an environment where all pupils, faculty, and staff feel safe is conducive to learning. Narmer American College does not tolerate “bullying” which we define as follows: Bullying is a repeated unwanted, aggressive (verbal / emotional / physical) behavior among school aged children that involves a real or perceived power imbalance. A person is being bullied by another person who repeatedly subjects him/her to negative actions.

Bullying includes but is not limited to these actions:

- ❖ Threatening, taunting, or teasing another pupil by saying mean and hurtful things.
- ❖ Consistently ignoring or excluding another pupil from a group or intentionally leaving a person out of activities on purpose.
- ❖ Hitting, kicking, or attempting to restrain another pupil.
- ❖ Telling lies, or spreading rumors about a pupil or attempting to make others dislike him/her.

Narmer American College will not accept bullying behavior in any situation whether during or after school hours. Pupils who engage in such behavior are subject to serious disciplinary action.

In keeping with the Narmer American College philosophy on bullying, pupils should abide by the following:

- We will not bully others
- We will help pupils who are bullied
- We will be inclusive of all
- When we know someone is being bullied, we will tell an administrator/a teacher at school and an adult at home

If the problems persist, the child may be suspended from school.

Essential to the development of a child's character is instilling in them a sense of RESPECT for themselves, for the significant adults in their lives: adult family members, teachers, and other adults with whom they may have contact: administrators, staff, building maintenance personnel, cafeteria workers, and guests to our campus. **Respect for country plays an important role in becoming a good and productive citizen, and to take pride in being a citizen of Egypt. Each Sunday morning at approximately 7:45 a.m., primary pupils will gather on the plaza in line with their class to pay tribute to Egypt by reciting the pledge of Egypt and singing the Egyptian Anthem.**

NAC School Rules and Regulations

We are a professional educational institution with a legacy and mission to educate our pupils teaching them the meaning of dignity and pride in order to become successful individuals who are treated with respect.

The NAC school administration will not allow any violation of its rules under any circumstances. Every employee in the school, whether staff or faculty member, is treated with full respect by the school administration, and we therefore expect the same attitude from all the parents.

Any offense or disrespect towards any individual at NAC; a pupil, an employee from the faculty, or staff; is considered an offense to the School Management and Administration as a whole.

Parents need to be aware that they are not permitted to use any aggressive language, attitude, or loud tone with the receptionists, security personnel, or with any other NAC staff or faculty member under any circumstances at any point of time, or they will be escorted out of the school premises. In case of any offense against any school employee or security member, the aggressor will be prohibited from attending any school events and legal actions will be taken against him/ her.

All NAC pupils should be committed to following all the rules and regulations of their academic institution, and we together, parents, NAC Administration, Faculty and staff, must put our hands together in a triangle of cooperation for the benefit of all pupils. **As parents**, you will always be **role models** for your children, and therefore your continued cooperation is highly appreciated.

Parents are not allowed to enter the NAC School gates under any circumstances before 8:30 AM and before announcing the purpose of their visit to the security personnel at the school gate. The purpose must be either: having a preset appointment, needing to purchase the uniform, or paying school fees.

Parents coming in for a preset appointment must remain in the reception area until the Admin Assistant escorts them to their meeting venue, and they aren't allowed to wander around the school under any circumstances.

The security personnel at the gate are instructed to follow the school rules and are given strict orders regarding the security of the building, and they are forbidden to allow any unannounced visits (without an appointment) unless the visit is to pay fees or to purchase school uniform.

The reception personnel are strictly instructed to greet the parents who enter the school and to receive and deliver messages to the administrators and to the faculty, staff, and parents only. They are not authorized to interfere with the school policy or regulations of the school. They are therefore instructed not to allow parents out of the reception area without approval from the Principals and Administration. However, they will give you the decision of the administration regarding your request.

Parents are not permitted to interfere with the school decisions, rules or regulations. NAC is fully abiding by the Ministry standards and has its own policy which is neither flexible nor negotiable and will not accept any parent's interference under any circumstances.

The school administration holds the right to the placement of the pupils in classrooms. We ask parents to trust the school decisions concerning this issue, as it is based on many factors.

All the rules and regulations stated above are for the benefit of each and every pupil enrolled at NAC.

In case of an emergency, and only an emergency, the parent may come to school to meet the designated Principal and if he/ she is not available, the parent will meet with the School Principal.

NARMER AMERICAN COLLEGE CELL PHONE POLICY

Dear Parent/Guardian:

The school administration strongly discourages pupils from bringing cell phones to school. There are too many concerns with lost, stolen, and misplaced phones that take away from the important work of school. However, we realize in today's world many families are reliant on cell phones for communication outside of the school day.

Your son / daughter in Year 4, 5 and/or 6 has requested permission to have a cell phone at NAC British Primary School.

In accordance to the School Regulation, pupils must abide by the following conditions:

- Cell phones are turned off and kept in lockers during the instructional day (8:00 a.m.–3:00 p.m.).
- Cell phones are not shared with other pupils.
